## GUIDANCE TO LEARN FROM THE TALK

All students from class 1 to 9 have been involved in class wise English workshop. Several activities designed to enhance their skills and confidence in the use of English were incorporated in the Day camp. Students enjoyed all the sessions working along with the teachers. By the end of the camp, a majority of students could develop affinity with the language they previously tried to keep at arm's length. The aim is to tempt all learners to walk the talk.

## SECTION HEAD APPOINTED

Dhanya Arun has been appointed as the **PRIMARY HEAD** to facilitate learning, work as an Instructional Leader and Quality consultant. She had worked in Ace for two years before she moved on to work as a Middle School Head at JSS International school at Dubai for 4 years. Her reinstatement is intended to motivate both the teachers and the students alike ensuring a rich classroom atmosphere. Her primary focus is to identify and prevent the early learning failure that sets in primary kids.

## MAKING DIARY ENTRY AN AVOCATION

One more academic year draws to a close. Kids await the entry in to a lengthy stretch of holidays. Words like scorching heat and sun burn appear to apply only to the grownups. Over ambitious parents contemplate fixing summer classes thereby turning the concept of a jovial vacation into a dreadful illusion for the deprived lots. Interestingly, for the likes of them the idea of children literally wasting so many days is hard to digest!

Diary writing has been one of the key vacation activities assigned from the school. Nevertheless, some are still unconvinced of its relevance. Why scribble boring chores repeatedly every day? This thought germinates from the seeds of misconception that diaries record chiefly the physical events.

Whatever a child engages in provides avenues for learning. As a result of the child centred classrooms bordering on experiential learning, our children can quite easily relate concepts to their environment. It is human nature to observe and read one's own thoughts which can be interpreted, analysed and revealed. So diary entries cannot become a trifle when we reflectively describe the driving force behind every action dwelling on its implications.

Let an attractive diary be a gift to all children so that they may chronicle any form of activity on a given day with subtlety. They

can gain something out of each experience that is processed and verbalised. Taken in this light, we will know that no day is wasted in a child's life! We can never bypass writing skills although digital text is rapidly replacing books. So we must remember that no opportunity to polish this precious skill be lost living under the purview of digital seduction.

Thus, let all children benefit from this vacation visiting places, reading books, watching TV, playing, getting involved in petty quarrelling, mediating and finding reconciliation. Let them find time at the end of a day to reflect on their actions and write them down. Language is power and the better you are at it, the stronger you will be. Wishing every child a happy vacation that can infuse life skills enshrined in holistic learning!

## GREED CHANGES CHARACTER

AYSHA NISHA - 6B

Once there lived an aged landlord with his young wife and a son. He was always worried that after his death his son may not get all his property. He finally asked his faithful assistant Nandan to help him to find a solution.

Nandan said "You could convert all your assets into gold. Burry them safely somewhere in the forest. When your son grows up I will give it to him." The landlord agreed and hid all the gold coins. He soon passed away.

The son grew up and completed his education. One day he enquired to his mother "Where are my father's assets kept?" The mother replied "Only Nandan knows about that. Go and ask him". The next day he met Nandan.

Nandan told him that the gold coins were buried in the forest. Next morning they went to the forest with some tools. They reached near a big tree. Nandan changed his expression and started shouting. "Treasure, what treasure? There is no treasure..." Nandan started

chirping like a bird. Nandan started shouting. "Treasure, what treasure? There is no treasure..." Nandan started

scolding and teasing the son. He refused to show the place.

Later the son visited his father's friend Bodhisathwan and told what happened. Bodhisathwan thought for a while and asked him to go there one more time with Nandan. "If he changes his behavior you send him away and dig there". As usual, Nandan's behavior changed when they reached the spot. The son took a stick and scared Nandan away. He dug the place and got the treasure. He became rich and lived happily.

## ബലൂൺ കോഴി

NEHA NAZER - 6B

വിവാഹം, സൽക്കാരം എന്നിങ്ങനെയുള്ള ഏതു പരിപാടിയാണെങ്കിലും ചിക്കൻ വിളമ്പാത്ത സദ്യ വളരെ വിരളമാണ്. ചിക്കൻ 65, തത്തുരി, അൽഫാ, ഷവായ, പെപ്പർ ചിക്കൻ, ഗാർലിക് ചിക്കൻ, ജിൻജർ ചിക്കൻ തുടങ്ങി ചുക്കില്ലാത്ത കശായമില്ല എന്നതു പോലെ കോഴി വിളമ്പാത്ത സദ്യയില്ല എന്നായി. അതും ബ്രോയ്ലർ കോഴി അഥവാ ബലൂൺ കോഴി...

എന്നാൽ ഈ കോഴി നമ്മുടെ തീന്മേശയിലേക്കെത്തുന്നതെങ്ങനെയാക്കേണ്ടെന്നത് നാം ചിന്തിക്കാറുണ്ടോ? കൂഴിയെണ്ണുന്നതെന്തിനാ അപ്പം തിന്നാൽ പോരേ എന്നു ചോദിച്ചേക്കാം, എന്നാൽ ബ്രോയ്ലർ ചിക്കനു പിന്നിലെ ആ വലിയ സത്യം നാം തീർച്ചയായും മനസ്സിലാക്കണം. സാധാരണ ഒരു കോഴിക്കുഞ്ഞ് വലിയ കോഴിയാവാൻ ആറുമാസത്തിലധികം സമയമെടുക്കും. എന്നാൽ ബ്രോയ്ലർ കോഴി ഒന്നരമുതൽ രണ്ടര വരെ കിലോ തൂക്കമുണ്ടാവുന്നത് കേവലം 27 ദിവസം കൊണ്ടാണ്. അതിക്രമമായ പീഡനങ്ങൾക്കിരയാക്കിയാണ് ഈ പാവം ജീവിയെ ഈ പരുവത്തിലാക്കുന്നത്.

മുട്ട വിരിഞ്ഞ് പതിനാലാമത്തെ ദിവസം കുഞ്ഞിന്റെ ചിറകിനടിയിൽ ചില ഗ്രോത്ത് ഹോർമോണുകളോ സ്പ്രിറോയ്ഡോ വെക്കും. പിന്നീടവ ബലൂണു പോലെ വീർത്തു വരും. ഈ മരുന്നുപ്രയോഗം, കടുത്ത

പകയുള്ളവരാക്കി ഈ കോഴികളെ മാറ്റുകയും അവ കൂടെയുള്ള കോഴിക്കുഞ്ഞുങ്ങളെ കൊത്തുകയും ചെയ്യും. ഇതൊഴിവാക്കാനായി ഈ പാവം ജീവിയുടെ ചുണ്ടുകൾ അരിഞ്ഞു കളയും. ബലൂണുകൾ പോലെ വീർപ്പിച്ച ഈ കോഴിയുടെ എല്ലുകൾ ബലമില്ലാത്തവയായതുകൊണ്ട് തന്നെ ഇവക്ക് ഓടാനോ പറക്കാനോ ശരിക്ക് നടക്കാൻ പോലും സാധ്യമല്ല. അതുകൊണ്ടു തന്നെ ഇവയുടെ മാംസം ശരിയായ ന്യൂട്രീഷനില്ലാത്തവയാണ്.

ഇത്തരം ക്രൂരതകൾക്ക് വിധേയമായ ബലൂൺ കോഴികളെ നാം കൊതിയോടെ അകത്താക്കുമ്പോൾ ഒത്തിരി സമ്മാനങ്ങളാണ് നമ്മെ കാത്തിരിക്കുന്നത്. ഈ കോഴികളിൽ ഉൽപ്പാദിപ്പിക്കുന്ന അൾട്രിനാൽ പോലുള്ള ഘടകങ്ങൾ പെൺകുട്ടികളിൽ വേഗത്തിൽ പ്രായപൂർത്തിയാവുന്നതിന് കാരണമാവുന്നു. അതുപോലെ ഈ കോഴിയിലെ ഈസ്റ്റ്രജൻ ആൺകുട്ടികളിൽ സ്ത്രീ സ്വഭാവങ്ങൾ ഉണ്ടാക്കുന്നതിനും സ്ത്രീകളോട് സാമ്യമുള്ള ശരീരഭാഗങ്ങൾ ഉണ്ടാവുന്നതിന് വരെ കാരണമാവുന്നതായി പുതിയ പഠനങ്ങൾ തെളിയിക്കുന്നു. മാത്രമല്ല, അമിതമായ ടെൻഷൻ, പക, വിഷാദ രോഗം, ദേഷ്യം തുടങ്ങി കാൻസർ വരെയുണ്ടാക്കുന്നതിന് ഇവ കാരണമാവുന്നതായും പഠനങ്ങൾ തെളിയിക്കുന്നു.

കെഎഫ്സി ബ്രോയ്ലർ കോഴികളെക്കാൾ ഭീകരമാണ്. ചുണ്ടോ

Quotes about Friends

FATHIMA ZIA & FATHIMA RIYA - 6A

Friends are the family we choose.

A true friend's silence hurts more than an enemy

True friends are apart in distance not in love.

Real eyes realize real lies.

Friends for Ever

PARVATHY KRISHNA - 6A

We all may have best friends; even I had one, Lakshmi. I will never forget her. She left our school from fourth standard. But we never forget to call each other when we are free. We never get a topic to speak, but still we still cook up some stories. We are waiting for the day when we meet each other.

Spoken English

AMAL S - 6A

Ace has arranged spoken English programmes for all classes to improve spoken language by understanding the importance of spoken English in day to day life and in the later life of a child. Activities included self introduction, Jam, Synonyms, and Debates etc. These activities help us to improve our spoken language. Thank you Ace, for arranging such programmes.

Life for Whom

FAMITHA MT 6 B

Life for whom is a question many of us have. But the answer may be different for all. We live for our parents and also for those who like us. Life for all but pain for ourselves. Pain in life cant be shared by others.

BROTHERHOOD

ROHAN ALLEN NAVIN, 6A

This is the story of two boys, John who was a Christian and Salman a Muslim. Their friendship was world class. Both were orphans and the life in the orphanage was the unhappiest moment in their life. John and Salman had only one pair of dress to wear. They both worked hard for getting some food in the evening. Morning and afternoon they were busy cleaning the toilets, rooms etc. Days passed John became 12 and Salman was 13. The owner of the orphanage made them work very hard and finally they decided to run away. They walked and reached a small village. They cried for food and there was a man who was willing to share some food with them. He was Ram, and after hearing their story he decided to spare some space for them to live.

Ram was alone in his house because his child and wife had died in an accident. Ram had wished to make his son a lawyer or a doctor. He sent John and Salman to school. Finally Salman became a lawyer and John a doctor. Both went with their dream to different places and Ram was alone again. But he was not sad; he knew that they would come back. Days passed and John and Salman came to visit Ram. But when they saw him he was almost bedridden. So they took Ram to a big hospital and realized that he had a very big disease. The doctors told that he would die soon but due to the love and care of Salman and John he managed to live 3 more years.
